

## 48/2290 Wooden Cross Faith Necklace Craft Kit

1. Tape the ends of the cording to make threading easier.
2. Thread the wooden cross bead onto the cording and slide it so that it is in the middle of the cording. Tie a knot on each side of the cross to secure it in place.
3. Thread the following pony beads onto each side of the cross: 1 purple, 1 blue, 1 green, 1 white, 1 red, 1 black, 1 yellow, or make your own design.
4. Tie the ends of the cording together in the length of your choice to make the necklace. Add a drop of glue to the knot to secure.
