

## 48/6520 Felt Flower Bouquet Craft Kit

1. Thread a felt leaf and flower onto the chenille stem through the cut out 'X'. Fold the end of the chenille stem to make sure the flower does not fall off the chenille stem. Repeat for remaining flowers.
2. Remove the adhesive backing and adhere a flower center and foam button. Repeat for remaining flowers.
3. Gather the chenille stems and tie the pink ribbon around the stems.
